The New England Telephone and Telegraph Company of Massachusetts respectfully petitions the Board of Selectmen of the Town of Royalston Massachusetts for a location for its poles and wires thereon and the necessary supporting and strengthening fixtures and wires in the following named streets and highways of the Town, viz: —

Cross road between South Royalston and Winchendon Road. Winchendon Road and Cross Road.

Fitzwilliam Road, north from Winchendon Road.

With no poles to be set less than twenty five feet in height. length.

Date Oct. 8, 1908.

The New England Telephone and Telegraph Company of Massachusetts.

By R. W. Kelber

Division Supt. of Plant.

By Board of Selectmen.

Royalston Massachusetts October 8, 1908.

Voted, — That the New England Telephone & Telegraph Company of Massachusetts be and it is here authorized and permitted to erect and maintain poles and wires to be placed thereon together with supporting and strengthening fixtures and wires as said Company may deem requisite in the streets and highways of said town as hereinafter designated.

All construction under this permit shall be in accordance with the following specifications:

The poles shall be located between the travel highway and the limits of the highway and shall be of wood or other suitable material and the wires shall be run at the usual height and along and across the highway. After the poles and wires have been located

as specified in this permit alterations shall be made in the location or erection of the poles and in the height of the wires, if so directed by the Board of Selectmen.

Following are the streets and highways above referred to:

Cross Road between South Royalston and Winchendon Road. Winchendon Road & Cross Road.

Fitzwilliam Road, north from Winchendon Road.

With no poles to be set less than twenty five feet in length.

Signatures of Selectmen:

Charles H. Brown.

Walter N. Farrar.

We hereby certify that on October 8, 1908 at eight o'clock P.M. at the Selectmen's Room Town Hall Building, a public hearing was held on the petition of the New England Telephone and Telegraph Company of Massachusetts for permission to erect the poles and other fixtures designated in the specification hereby indorsed and that we mailed at least three days before said hearing a written notice of the time and place of said hearing to each of the owners of real estate (as determined by the last preceding assessment for taxation) along the ways or parts of ways upon which it is proposed to construct the lines of said Company under such specification.

Connecticut River Transmission Company.

PERMIT.

Whereas, the Connecticut River Transmission Company proposes to erect transmission lines for the carrying of electric current, said lines to enter Royalston at the Warwick line at or near the place where the Royalston and Warwick road crosses the town line, said lines continuing in a general southeasterly direction until they pass out of the Town of Royalston into Winchendon at or near the place where the New Boston Road crosses the Winchendon line, and

Whereas, the Connecticut River Transmission Company has secured a private right of way for the erection of said transmission lines, except where it is necessary to cross public highways, and

Whereas, they have petitioned for the right to string wires over the public highways where said line will cross the highways in the Town of Royalston,

BE it therefore resolved, that as the Selectmen of Royalston hereby grant said petition and authorize the Connecticut River Transmission Company, its assigns or successors, to string and maintain its wires for the transmission of electric current over the public highways where its transmission lines will cross the highways in the Town of Royalston.

It is understood that the wires are to be strung upon poles or towers located on private property on either side of the highways crossed and that no permission is granted hereby to erect any poles or towers in the public highway.

It is further understood that said wires for the transmitting of electricity must be located not less than twenty five feet above the highway.

1908 Connecticut River Transmission Company PETITION.

Respectfully represents the Connecticut River Transmission Company a Corporation, organized under the laws of Massachusetts, that on January 28, 1908, the Selectmen of Royalston granted to it, its successors or assigns authority to string and maintain wires for transmitting electric current over certain public highways in the Town of Royalston; that said authority did not specify the names of the highways or the points at which such wires could be string and maintained except in general terms; that it is desirable that the highways over which and the places thereon at which such wires may be string and maintained be ascertained & specified as nearly as may be.

Wherefore the petitioner respectfully requests the Selectmen of Royalston to authorize the petitioner its successors or assigns to string and maintain wires for the transmission of electric current over and across the public highways and at the places specified in the schedule attached hereto.

Newton in which he declares his intention of presenting to the Town a

Building for a Public Library.

Royalston, Mass. March 7, 1910.

To the Inhabitants of the Town of Royalston,

Had it not been necessary to be away on the day of this meeting the matter that follows would have been presented to you verbally.

Education plays a most important part in the progress and advancement of a people and the enjoyment it affords cannot be measured by any ordinary standard of values.

To provide an education the Commonwealth by Statute and treasure and Towns by great liberality seek to place at the disposal of all children every facility to train the mind and to fit them to become useful and valuable to themselves and to the Community.

An education once secured, the enjoyment of it depends largely on being able to become acquainted with other educated people, and this by having ready access to their writings as preserved in the books which express the opinions and experiences of the wise and good of all ages in the world's history.

It is not possible for each individual to possess all these books, and were not some way provided, only a favored few could avail themselves of such privileges as have been mentioned.

To supply such a want the present public library system has been developed from very humble beginnings, and at the present time hardly any city, town or village is without some library privileges.

Our own town has been well remembered in the past, and it has a library of great value and one that is being used more and more each year.

It is fast outgrowing its present accommodations

1910.

and is too much mixed in on many library days with other necessary town business to produce the best results, and there has been for some time a feeling that larger and better separate accommodations should be provided. To bring this about is the desire of the writer and to that end he will provide a sum not exceeding ten thousand dollars to be used as needed, and as shall be arranged in detail as soon as may be.

It is intended that this sum shall be used only for the building and furnishing, and that a suitable lot acceptable to him and as central in Royalston Center as is possible to be secured shall be provided by the Town or other persons who may feel inclined to be liberal in that direction. That such a building should have a good sized open lot as far from fire exposure from other buildings as possible and not too exposed to storm and winds is considered of great importance.

It is not expected that any definite action can be taken at this meeting, but it is hoped that a general expression of opinion of all may be most fully made so that the writer may judge if the above proposition meets with such general favor as to make it best to proceed further in the matter.
Phineas S. Newton.

The reading of the above document was greeted with generous and merited applause. Voted, that the Thanks of the Town be extended to Mr Phineas S. Newton for his generous gift.

Special Meeting for acceptance of Public Library Building.

June 17, 1911.

(Ben MacKenzie, }
(Fannie E. Stone } as follows

In accordance with the provisions of the governing Warrant the Town assembled at the Town Hall at the specified time and transacted the following business.

Warrant. 1. Given Lorenzo G. Fortez, Moderator.

Warrant. 2. The following Resolutions, which had been handed to the Moderator and read to the Meeting by the Clerk, were then unanimously accepted and adopted:—

Whereas, William W. Hull of Brookline died by deed dated the 24th day of April 1910 gave to the Town of Royalston a certain piece of land in Royalston upon the express condition that a Library Building be built and maintained upon it, and

Whereas, Phineas S. Newton, of Royalston has built thereon a Library Building and has presented to the Town said Library Building and the furnishings therefor,

Now, therefore, be it Resolved, that the Town of Royalston accept with gratitude the gift of the said land subject to the conditions contained in the said deed, and the Library Building and furnishings, and be it further,

Resolved, that the Town shall maintain said building and furnishings for the use of the inhabitants of the Town as a Public Library to be known as the Phineas S. Newton Library and that it shall insure said building and furnishings for an amount not less than eight thousand dollars (\$8000.)

And, that the Library henceforth be called the Phineas S. Newton Public Library.

And, that additional Resolutions, expressing the sentiment of the Town be drafted and spread before

the records of the Town, one copy of which shall be presented to Phineas S. Newton of Grafton and another to William H. Hill of Brookline.

The following are the Resolutions of Thanks authorized by the Town at their Meeting of acceptance held June 17, 1911.

Whereas, A need for several years has existed of a suitable and commodious building for the Public Library whose volumes have been overflowing the shelving room allotted them in the Town House; and

Whereas, Mr Phineas S. Newton, recognizing this need, has erected a Library Building which, in architecture and equipment, has added to the beauty of the Town as well as the welfare of the Town; and

Whereas, Mr William H. Hill of Brookline has generously given a suitable corner lot on his estate for the said building; now therefore,

Resolved That the thanks of the town be conveyed to Mr Phineas S. Newton for his generous gift which is certain to be of incalculable benefit to the town in the coming years, and a lasting memorial to his name; and also,

Resolved That the thanks of the town be conveyed to Mr William H. Hill for the beautiful site he has provided for the Library Building as a memorial to his wife Sarah M. Hill whose interest in the Royalston Public Library was notable, and which continued unabated during her lifetime; and further,

Resolved That a copy of these resolutions be presented to each of the donors, and a copy also be published in the Athol Times, the Fitchburg Sentinel and the Worcester Telegram.

Drawn and forwarded to the donors and various newspapers in conformity with the instructions of the Town at their meeting of acceptance held June 17, 1911.

Permit

For electric lighting of private residences in South Royalston.

Office of the Selectmen.

Royalston, Mass.

Feb. 15, 1913.

After due notice to all land abutters, met in public hearing at the Selectmen's Office to act on petition of Francis J. Fairbanks, Charles H. Brooks and Mrs. Willard Putney to string electric wires from American Hooken Company's Mill to their several residences for private use along and across the highway wherever it is necessary, also to attach the said wires to the poles already erected by the town.

No objections appearing, we do hereby grant said petition under the following conditions:—
The petitioners shall severally pay their share of one half of the expense that the town has been to for the poles, and erecting the same, — also one half of the expense of maintaining the same.

At this juncture a series of Resolutions were submitted to the Meeting drawn by J. Pennington Gardner, and others, of Boston.

Whereas The German Imperial Government has, as the President said, forbidden to our people the exercise of their peaceful and legitimate errands on the high seas, and

Whereas in consequence the President of the United States has severed diplomatic relations with Germany,

Be it resolved, by the Citizens of Royalton in Town Meeting assembled this Fifth day of March 1917.

First That they commend the President of the United States for his uncompromising stand in severing diplomatic relations; -

- Second That they rely upon the President to protect American citizens and American ships in their acknowledged rights on the high seas; —
- Third That they urge upon the President the necessity of making immediate preparations against the contingency of war; —
- Fourth That, while they desire peace, they desire peace only with honor, and call upon the President to regain at this time the honor of the American people.

NOTE:

The vote in favor of adopting the foregoing Resolutions was unanimous.

4 o'clock P.M.

The Ballots having been counted, the vote on the License Question was at this time announced: — YES, 34; NO, 34. !
Voted, To dissolve the Meeting.
